

THREE TRAILS WINERY

VINEYARD PARENTS

Parent (sponsor) a vine for \$20.

We will place a name tag on your vine. It will have your name and the name that you have chosen for your child (vine). The children will be close to the winery building so that you may easily “look in” on them.

You become members of the Parents Support Group. Receive email updates on your child’s “academic progress”.

You are invited to the annual family reunion. We will update your child’s progress over the year and fill you in on our winemaking plans. It will be a “bring a dish to pass” family friendly event that we really hope you will enjoy!

Your sponsorship lasts for 5 years. You may renew your sponsorship (and we hope that you do!) You may add to you family at any time.

Adopt a family discount: your 3rd or more vines are \$15/each per 5 year period
